

Hot new ways to stay warm!

1 Try a thermal facial!
Self-heating face masks warm on contact, opening pores and creating a deeply relaxing experience! **Try:** Olay Regenerist Thermal Mini Peel (\$18) or The Body Shop's Pure Detox Clarifying Clay Mask (\$24).

2 Spritz on spice!
For a quick warm-up, spray on your favorite spicy cologne or try Demeter's Black Pepper perfume, which can be worn alone or layered over another fragrance (\$6 for 1/2 oz. at demeterfragrance.com).

3 Don a cute 'n cuddly eye pillow!
Lie back and relax with a plush puppy eye pillow. It's designed to relax tension at your temples and eye area (\$18 at warmwhiskers.com).

4 Heat hands with computer gloves!
Chilly keyboard? Slip on fingerless gloves that plug into your computer's USB port and heat up (\$24.99 at perpetualkid.com).

5 Bite into a hot chocolate!
Chili-infused chocolates heat your tongue and give you a sense of allover warmth. Nibble on a Lindt's Excellence Chili chocolate bar (\$2.99 at lindtusa.com) or bake up cookies with Vosges' Red Fire Exotic Chocolate Chips (\$8.50 at vosgeschocolate.com).
